Takes Third of the Inter-high Football Series.

LOSERS PUT UP PLUCKY GAME

Although Outweighed, the Georgetown Team Battles Manfully to Stop Manual-Thrall Much in Contest-Brewster's Long Run Ends It All-Score, 22 to 0.

Western, unable to stop the furious onslaughts of the heavy Technical eleven, lost the third game of the interhigh-school football championship series at National Park yesterday by 22 to 0 before one of the largest crowds that ever witnessed a high school contest.

Fighting every inch of the way against overwhelming odds, the plucky Georgetown team battled manfully for forty-five minutes to hold the manual trainers, but to no avail, the superior brawn of the blacksmiths enabling them to hammer their way through the Western defense in a consistent manner for large gains.

Although outweighed, pounds to the man, the Creek squad was not outmanned, but kept at 'em every minute, even after it was seen that it was almost impossible for it to win. The West enders were aided in their efforts by a large band of enthusiastic rooters who stuck loyally to the team and howled their approval of the good plays and tooted them on to renewed efforts with horns and whistles.

Western played good football, better than the score would seem to indicate, and several times had their opponents worried, but it was up against a proposition too big to handle.

Both teams punted frequently, Tech excelling in this department of the game, as Thrall, the big full back, was in good form and booted the ball 30 or 40 yards on several occasions. Neither Hodgson, Robinson averaged over 25 yards, and the Tech backs usually managed to run the ball back 5 or 10 yards before being downed.

Thrall and Brewster Star.

Thrall and Capt. Brewster directed honors for the Tech team, both being good for big advances almost every time they carried the ball, and Hart, the giant tackle, should not be overlooked, the big fellow making several big gains by throwing his massive frame against the Red and White line.

Brewster's long end runs were the features of the game, the speedy captain seldom failing to make advances, and on six occasions made 15, 16, and 20 yards three times, and 25 yards on another attempt. One of the 20-yard sprints, made toward the end of the second period, was responsible for one of Tech's touchdowns.

For the Creek team, Stevenson and Parker played the strongest games, the former's coaching doing much to steady the team and the latter distinguishing himself upon several occasions by breaking through the line for a tackle before the Tech backs had gotten under way.

Small Makes Touchdown.

Robson kicked off to Thrall, who returned the ball 15 yards. After a kicking duel between Robson and Thrall, Tech finally lined up with the ball in its possession on Western's 30-yard line. Thrall and Ellis plowed Western's line for 20 yards, and on the third down shoved small over the line for the first touchdown of the game. Thrall missed goal.

Robson kicked off to Tech's 12-yard line, and Thrall ran the ball back 15 yards before Stevenson downed him. Thrall punted to Hodgson, who got back 5 yards. On the next play Stevenson made a pretty pass to Robson, who advanced the ball 20 yards to Tech's 35-yard line. Western was here held for three downs, and Robson attempted a goal from placement, the ball being blocked, Marsden regaining it, and by a clever run of 40 yards through a broken field carried it over for the second touchdown. Thrall kicked a difficult goal, bringing the Rhode Island average team up to 11 points.

Tech Is Penalized.

After Robson had kicked off to Thrall, Brewster caught a forward pass, which netted 15 yards. Tech was penalized 15 yards for holding, and Thrall punted 25 yards, Western fumbling the ball and a Tech player getting it. Brewster gained 20 yards around left end, and Thrall tried an on-side kick which Brewster caught on Western's 15-yard line. Marsden here caused Tech to be penalized 15 yards for not going out 5 yards on a quarter-back pass. Thrall's dash through rough tackle was good for 15 yards, but his attempt for a goal from placement at about the 22-yard mark was blocked, Dutton falling on the ball. The first half ended with the ball on Western's 30-yard line, the score standing 11 to 0 in Tech's favor.

Robson Kicks Off.

In the second half Robson kicked off for Western, Hart getting the ball on Tech's 20-yard line. Bullough gained only two yards through the line, and Thrall did little better around left end. Thrall's next attempt, through center, was good for 10 yards, but Bullough was thrown for a loss on a splendid tackle by Parker. Thrall carried the ball 8 yards on his next attempt, and then punted.

After holding Western for downs, Tech was penalized 15 yards for holding, and the ball went to Western. Campbell, on the next play, kicked the ball directly through the line, and although fell on it on the 30-yard line, Thrall punted 25 yards, and Brewster downed Oben, chain immediately. Western attempted the forward pass at this juncture, and the ball was fumbled, Tech getting it. Thrall was thrown for a loss on 15 yards, and Thrall punted to Tech's 25-yard mark, and Thrall returned the ball to Western's 20-yard line, where the ball went out of bounds. Robson punted out and Thrall made a fair catch.

Thrall's Punt Blocked.

Thrall's punt was blocked and Western got the ball, Crampton gaining 10 on the forward pass. On an exchange of punts, Thrall got the piskin, and he and Hart gained 10 yards each, and Brewster pulled off another end run good for 25 yards, to Western's 3-yard line, where Ellis was shoved over for the third touchdown. Thrall kicked a difficult goal.

After Robson kicked off, line-smashing by Thrall and Hart carried the ball up to Western's 30-yard line, where Thrall was thrown for a loss on a fake kick from placement. Thrall attempted another goal from placement, but missed, and Western kicked off to their 20-yard line. Thrall and Hart made good gains, and on Western's 35-yard line was given the ball, and by a brilliant run, carried it over for the fourth and last touchdown. Thrall missed a hard goal.

FAIR'S OPENING DAY

Hagerstown's Fall Event Is Bigger Than Ever.

EXCITING FINISHES A FEATURE

More Room Needed to Accommodate Exhibits-Over Four Thousand Entries in Poultry Section-More Horses in Racing Department than Ever Before-Track in Good Shape.

Special to The Washington Herald.

Hagerstown, Md., Oct. 15.—The fifty-second annual Hagerstown Fair was opened to-day under the most favorable conditions. The fair was formally opened this morning with a parade of the officials and marshals, headed by a band. Exhibitors have been arriving here since Saturday from the York and Allentown fairs, swelling the number already placed to large proportions. Notwithstanding the grounds have recently been enlarged, additional space is needed to accommodate exhibitors in all the departments.

The growth of the fair from its insignificant beginning in 1851 to a great interstate exhibition, having advisory boards in fifteen counties of Maryland, Virginia, West Virginia, and Pennsylvania, has been marvelous. One of the largest and most attractive features is the poultry exhibit. There are over 4,000 exhibits alone in this department, covering a range of territory from Massachusetts to Kentucky and as far South as North Carolina. Prizes in this department are much sought after by poultry breeders and fanciers. State Senator B. Abner Betts is superintendent of the poultry department, which occupies 17,000 feet of floor space.

Two Hundred Horses Entered.

Entries in the racing department this year number more than 200 horses, being the largest list in the history of the association and including many fast ones. After every race was filled it was found necessary to make an addition to the programme in the shape of a special race on Thursday, this being a 2:15 pace for a purse of \$500. The racing purses for the four days aggregate \$3,850. Four of these are stake races, each for a purse of \$1,000.

The entries for the horse show, to be held on to-morrow, Thursday, and Friday in connection with the fair and in the daytime, indicate that this feature will be a great success. W. H. Howard, secretary of the racing department, is superintendent of the horse show. The prizes for the show amount to \$2,000.

Several Exciting Finishes, notably that between Bernaldo and Pearlino in the stake race, were among the features of the races on the opening day of the Hagerstown Fair.

Owing to the large number of entries in the 2:15 pace, purse, \$500, it was necessary to make two divisions, with purses of \$300 each. A large crowd witnessed the contests, the track being in splendid shape.
